What the Customer Had to Say:

“Circle Graphics has been the ultimate partner on our Water Taxi wraps. When it comes to Water Taxi’s and other Non-Tradition Out-of -Home Media Forms, there is no standard size or template and everything is custom made. Circle Graphics and my rep Darrin Day have been instrumental in covering all the details of measuring, confirming product type and insuring the installation is done in a timely manner. They really have made the process turnkey and put mind at ease.

“Thank you Circle Graphics for everything and we look forward to a long and prosperous partnership!”
