

**HOW CAN MY COMPANY EVALUATE THE NEW SYSTEM THAT  
HAS BEEN TESTED AND ADOPTED BY CLEAR CHANNEL AND  
CBS OUTDOOR  
(the two largest outdoor companies in the world)?**

You are cordially invited to a full-day workshop being held at Circle Graphics on either of the following dates:

**Date:** Friday, June 13, 2008 & Friday, June 27, 2008

**Time:** 8 AM – 4 PM

**Workshop Focus:** Participants will get hands-on experience w/ the hardware installation and poster installation as well as classroom training on various aspects of the installation guides.

At the conclusion of the workshop, each participant will be a qualified expert on the system and will be able to teach these new skills to other members of the billposting team.

All participants will have an excellent opportunity to evaluate the new technology as well as get a chance to view in great detail the largest digital print factory in the world.

**Who should Participate:** Owners, GMs, Sr. Operations Staff of Poster Plants in the US

**Location:** Circle Graphics, Inc.  
120 Ninth Ave.  
Longmont, CO 80501

(Participants will fly in to Denver International Airport)

**Important Note:** As an added incentive for qualifying poster companies, Circle Graphics will provide transportation to and from DIA (Denver International Airport), provide lodging at a hotel near our facility, and pay one half of the roundtrip airfare.

**Please RSVP to Jen Glover at (303)951-1418 or email Jen at [jglover@circlegraphicsonline.com](mailto:jglover@circlegraphicsonline.com) with any questions or to handle your travel logistics.**
